

# Lotus Enthusiasts Organization

NY-NJ Area

**Dateline: January 11, 2000**

It's a whole new millenium (or is that next year? who cares) and it's time to get the LEO rolling for the year 2000. We have a couple opportunities to get together before the springtime driving season begins.

To start us off David and Sandy Nagler are inviting the members of our fledgling Organization to their home in bucolic Chester, NY, for a wintertime Lotus-Talk session. As an added treat, David has spirited away the Lotus historical videotapes that were running in the lobby of LOG 19 in Corning for our viewing pleasure, in case the conversation wanes.

The date is Sunday February 6th at 12:30 in the afternoon (snow date February 13). Please RSVP to David at [cutels@frontiernet.net](mailto:cutels@frontiernet.net) or (914) 469-6001 by January 30th. Directions and maps are printed below.

The second outing is a Go-Kart Get-Together at the Sports 'n' Games Funplex in East Hanover, NJ on Sunday February 27<sup>th</sup> at 1:30 PM. Organized by the NJ Triumph Association (of which Yours Truly is the Activities Chairman) this is an opportunity to show those old-fogey Triumph owners how to drive! The Funplex features Indoor electric carts that run on a road course. If you care to join us, please RSVP to me at [carbuff@nac.net](mailto:carbuff@nac.net) or (973) 927-3765. More information is below.

Speaking of joining us, I'd like to introduce the rest of you to Gary Schotland, who just picked up a 95 Esprit S4s in December. Gary invited Bryan Boyle and me on an impromptu drive in the Trenton area the day after Christmas, and it was great to stretch

the ol' Lotus's legs (except when that radar-welding cop went by). In the picture below, that's Gary's car on the left, mine in the middle, and Bryan's on the right.

Looking forward to seeing everyone during the coming year,
