

Lotus Enthusiasts Organization

NY-NJ Area

Dateline: October 22, 2001

Hi everyone, hope your Lotus driving season was a nice one! It's too bad the cheer didn't extend past September 11, 2001. Everything else seemed so much less important after that terrible day.

But, on to normal...life must go on. And, in keeping with this philosophy, we hereby notify you that **on Saturday, October 27**, we request your presence at our **Fall Drive and LOG Reunion!**

The plan (we always have a plan, you see) is to meet at the Naglers' (directions below) in Chester, NY, at 11:30. From there we will caravan at a brisk enjoyable pace over roads MADE for Loti, to NJ's High Point State Park, where Sandy will provide the food for a picnic! We can explore the trails and the scenery (the foliage will be past its peak however) or just hang out and share pictures and experiences from our summer...whether it is LOG, Lotus Love Lime Rock, Brookline, or wherever else you have meandered in your Lotus this summer.

Please RSVP ASAP to David or Sandy Nagler so she will know how much food to bring! This event will go rain or shine, but if the weather is too miserable, bring your slot cars (and an itchy trigger controller finger) and we'll re-enact the USGP in the Nagler basement. If the weather is threatening, you can bring your non-Lotus wheels too; we aren't snobs. If you have FRS radios bring them for in-car communication during the drive.

While we are together, lets talk about the 2002 Lotus season. We can tentatively plan on some events... Bring your ideas. We'd like to get a monthly breakfst thing going.... What do you think?

Directions to the Naglers:

(If you are coming from a different direction e-mail David at lotushack@lotusowners.com)
